

**REMARKS**

Claim 1 is the only claim pending in the application.

A telephone inquiry was made on March 21, 2008 to Examiner Harlan by Applicant's representative, Joseph Hsiao, regarding the Advisory Action dated March 17, 2008.

**Summary of Telephone Inquiry**

The inquiry was initiated by Applicant's representative. During the inquiry, the following was discussed:

First, Applicant's representative indicated that a second Advisory Action was issued March 17, 2008, and inquired as to the reason, since it appeared that the second Advisory Action was identical to the Advisory Action of February 7, 2008.

Second, Applicant's representative indicated that a Request for Continued Examination (RCE) was filed March 11, 2008, requesting entry of the 1.116 Amendment filed January 11, 2008.

The Examiner indicated that the second Advisory Action dated March 17, 2008 should not have issued, in light of the RCE filed by Applicant on March 11, 2008. Thereafter, the Examiner requested that Applicant's Representative file a Response to the second Advisory Action indicating the same for the record.

Applicant therefore notes that content of the Advisory Action dated March 17, 2008 is identical to the Advisory Action mailed February 7, 2008. Furthermore, Applicant filed an RCE on March 11, 2008, requesting entry of the 1.116 Amendment filed January 11, 2008. Accordingly, Applicant requests entry of the 1.116 Amendment.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited.

If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the local Washington, D.C. telephone number listed below.
